Orange County Chinese Association and its subsidiary Chinese School was first established in 1986 with a small group of Chinese folks living in the Orange County-Hudson Valley area. Through the past three decades, our association has witnessed tremendous growth, expansion, and advancement in supporting cultural tolerance, creating a vibrant cultural community, and fostering an increased support among residents in the community. We have the privilege and pleasure of offering the best Chinese Language and Chinese Culture learning programs in the community. As a non-profit organization, our goal is to provide cultural, educational, and instrumental programs to promote cultural heritage and enhance quality of life in the community. We also look to our vision in this rapidly advancing discipline. This celebration gala provides a precious opportunity for our old friends and family to reunite and for our fellows to share and discuss our further development.

OCCA is a 501(C) (3) Non-Profit Organization. P.O. Box 124, Monroe, NY 10949
